P R O G R A M N O T E S

What do Dixieland, Jazz, Rock & Roll, Broadway Musicals and *Yankee Doodle Dandy* have in common? You guessed it! They were all “Made in the USA!” What a wonderful and still developing heritage of which we can all be proud! **Made in the USA** by Mac Huff is a musical revue that will treat you to a hearty dose of the musical Americana that has kept us singing and dancing from Plymouth Rock to Punk Rock!

Mac Huff is one of today’s most versatile and creative choral arrangers. His music catalog spans a wide variety of materials for all levels and styles of choral performance and educational piano. His academic background includes degrees from the University of Wisconsin-Madison and the University of Texas-Austin, as well as doctoral work at the University of Southern California.

Mac Huff is an accomplished pianist and musical director whose credentials include extensive experience as a performer, teacher, clinician and arranger in the educational field, as well as in the entertainment industry. Through his production company in Los Angeles, Mac regularly directs and arranges for such clients as ABC-TV, Hallmark Inc., Food Marketing Institute, Canon, the NBC Macy’s Thanksgiving Day Parade, Six Flags Show Productions, Howard Lanin Productions, and many others. He is in constant demand as a lecturer and conductor and appears regularly for the Brightleaf Music Festival, Showchoir Camps of America and numerous music education organizations throughout the world. He also serves as musical producer and advisor for *America Sings!* Inc. headquartered in Washington D.C.

Tonight’s musical revue would not have been possible without the immeasurable support and talents of Mrs. Fran Christian (choreography), Mrs. Lisa Webb (teaching stunt double), and Mr. & Mrs. Mike & Shelly Broich (tech and set design). Mrs. Christian’s Study Skills class (SSK) also worked hard to design and create the backdrops for the set. Thanks to all of you!
